

WHO WE ARE

We are Lubbock's family oriented 4-wheel-drive club that is open to all makes and models of 4x4 vehicles. It is our goal to promote the sport of off-roading in a positive sense through following Tread Lightly principles, and to show respect for the environment in which we conduct our activities. We currently have land in Post and Aspermont, Texas to wheel on. We take trips to the Canadian River, north of Amarillo, Palo Duro, Kermit, and Red River, N M. We plan on taking trips to Katemcy, Llano, Las Cruces, N M., as well as many others. Our club is a member of SWFWDA and UFWDA. We hope to attract members who want a Club that holds family, country, friends, and respect for others as top priorities while participating in off-road events and in their every day activities. We try to be involved in land issues and help to keep trails, both public and private, open so that all may use, now and in the future. If a 4x4 club that thrives on 'wheeling with others on tough trails, scenic mountain roads, rolling sand dunes, as well as sitting around campfires and talking about the day's events, then 4x4 & More of Texas is the Club for you! In fact, we are always interested in finding you ! Give us holler and we will be more than happy to tell you more about our club. Joining is as easy as one-two-three!!
